### Skills

1-Proficient in computer use and various software programs, including high-level efficiency in Microsoft Office. Skilled in automating paper-based information and converting it into a digital format to facilitate search processes and maintain records.

2- Capable of working under pressure with a strong commitment to continuous work. Possess effective communication skills with the surrounding community, clients, and students. Experienced in time management and work organization .

3-I have at least two years of practical experience in college science laboratories, in addition to serving as the college treasurer and an active member of several administrative, and research committees. I also serve as a coordinating member in the Quality Assurance and University Accreditation Department. I am proficient in the use of laboratory equipment related to the Environmental Department and possess the skill of writing accurate and professional scientific and technical reports. I adhere to occupational health and safety standards in the workplace and possess the ability to work as a team to achieve common goals.
